

HOME RHD Application updates

10/22/12

Just a few updates for you all given the closing of a number of construction loans (this will be posted under NOTICE on the DOH, RHD website:

<http://doa.wi.gov/category.asp?linkcatid=1079&linkid=212&locid=173>):

1. At the time that you send in Completion Reports when you've leased up all the HOME units, please also send pictures (you can email these in electronic form if easier) of: project sign, common space, 2 pics of the outside of the building(s), and 2 pics of a unit(s) interior
2. Please be sure to acknowledge the DOH funds on your construction signs (the DOH logo will be available on the DOH/RHD website)
3. For future CHDO application cycles, please note that CHDO applicants will be able to choose either to receive a developer fee OR CHDO operating funds, but not both.
4. Check the DOH RHD website often –it's where you'll find all the latest in forms, documents, and updates.
